

Class of 2023 Program Commitment Participant & Employer/Sponsoring Organization

Leadership Thurston County Class of 2023 is a 10-month community immersion program that begins in September 2022 and ends in June 2023. The class meets monthly for daylong Challenge Days (8am-5pm) that focus on specific themes. The curriculum is experience-based and explores issues affecting our community through meetings and discussions with established leaders, site visits, and other activities.

Challenge Days are designed to be complementary to each other; you are expected to attend all sessions, actively participate, and complete the homework assignments. You may miss up to 18-hours of class and graduate from the program. As an experience-based program, missing more than 18-hours would prevent you from graduating.

Tuition for the 2022-2023 year is \$2500. The full amount of tuition is due August 1, 2022. Payment plans may be arranged. Please contact the Program Director for information.

I have read the Participant & Employer/Sponsoring Organization Commitment and understand the financial and time obligation to the program should the applicant be accepted into the program.

By signing, the applicant has full support (time and/or financial) to participate in the program if accepted.
